Soft Skills	Leadership, Event Management, Writing, Public Speaking, Flexible, Detail-oriented

EXPERIENCE

Web Developer Intern

July 2023 - August 2023

Code Alpha

Virtual

- Gained valuable hands-on experience in web development and honed my skills in HTML, CSS, JavaScript, Git, and GitHub. Actively utilized Git and GitHub for version control ensuring the project's codebase remained organized and well-documented.
- Designed, and developed a fully functional blogging website from scratch. I implemented responsive design principles to ensure seamless user experiences across various devices.

PROJECT

SCRIBBLER PROJECT [GitHub Deployed Link](#)

- Implemented a secure and user-friendly registration and login system. Users can create accounts, providing a personalized experience.
- Enables users to create and manage posts effortlessly. designed an intuitive user interface for creating, editing, and deleting posts, making content management seamless and accessible.
- **Technology Used:** HTML, CSS and ES6 model JavaScript.

SPOTIFY CLONE WEBSITE [GitHub Deployed Link](#)

- Designed and developed a digital music streaming platform that offers users access to a diverse catalog of songs.
- One of the key features of the project was the integration of audio playback controls. Implemented controls for playing, pausing, skipping tracks, and adjusting the volume, enhancing the user experience and providing full control over the music listening experience.
- **Technology Used:** HTML, CSS, DOM manipulation, ES6 model JavaScript.

CERTIFICATIONS AND ACHIEVEMENTS

- **[upGrad Java Full Stack Web Development](#):** JAVA, OOPs, Data Structures, HTML, CSS, JavaScript, React.js, Expressjs, Nodejs, MongoDB. (Oct 2022 - Sept 2023)
- **[HackerRank SQL Basics Certifications](#):** CRUD Operations, SQL Commands, Keys, Joins. (May 2023 - June 2023)
- **[HackerRank JAVA Certifications](#):** JAVA Syntax and Semantics, Basic Programming, Object Oriented Programming. (April 2023 - May 2023)
